

Hello! For those of you who do not know me allow me to introduce myself.

I am Peggy Pendleton; I am from E TN where I have lived most of my life and I am one of your candidates for MFTHBA Region 8 BOD.

Here is just a little about myself I have been involved in horse shows and trail riding off and on since the mid 1980's it was at that time that I rode my first MFT when they were not well known in this area. I always said if I owned a horse it would be a MFT. Time passed and riding stopped then it started again in 2012, the following year I purchased my first MFT who I still own today Sampson's Bit O Honey. I have bought and sold several over the past five years. I experienced the joy of breeding and raising one foal.

Today I am primarily a Trail Rider but I have a strong belief that in order for our breed to prosper we have to support all disciplines and most importantly we have to encourage all owners to join the MFTHBA and the many programs it has to offer. All three of my MFT'S are in the Fox Trot America Program. I find it fun to see how many hours we ride each year and the many places that we go.

I am also a member of BCHA and participate in the local chapter meetings and their FB Page.

It is my goal by running for Region 8 BOD to support all rules and regulations set forth by the Association Rule Book. To keep members in my Region informed of events and programs available to them.

I feel the registry is only as strong as we the members make it.

Thank You for considering me for the position of Region 8 BOD Representative.

If you have questions please ask and I will answer to the best of my ability.

Peggy Pendleton
