

Eddie Moore
Candidate for Region 6 Director

I have been involved with foxtrotting horses my entire life. I am a lifetime member of the MFTHBA. I originally ran for the MFTHBA board of directors because I wanted to see the Missouri foxtrotting breed grow. The shrinkage of members we have experienced in the last few years is disheartening to me. I truly believe we have one of the most wonderful and versatile horse breeds any one could ever experience. It is my goal to see growth in all divisions involved with the Missouri foxtrotter breed. I hope to see growth and development in our future. Nothing would please me more than to see my grandchildren grow up with the same joy I have had in my life while riding Missouri foxtrotters. I appreciate your support and thank you for allowing me to represent you
