

Southern Playboy

2006 World Grand Champion

It's easy for a stallion owner to brag on his horse, but it's difficult to get another stallion owner to brag on your stallion also. Over the years this has happened to Southern Playboy more than once. Included in my ad is a copy of a letter postmarked 2000 that I received from Mr Jerry Glaze, owner of Southern Jazz. According to Donald Cunningham Mr. Glaze purchased Southern Jazz for a record price at the time. I have never met or spoke with Mr. Glaze, and per his wishes I've kept this letter to myself. Southern Jazz sired several good horses including Southern Sunrise, who in turn sired Southern Playboy. When Mr. Glaze wrote this letter there were several top stallions in the breed. It was Mr. Glaze opinion, Southern Playboy was the second-best breeding stallion after Southern Playboy's grandsire, Southern Jazz.

On behalf of Southern Playboy, I would like to take this opportunity to thank his many supporters. He will be 27 years old this spring so his book will be limited. Over the years Southern Playboy has never cheated me but I've cheated him often. He owes me nothing, yet I owe him everything. He is one honest horse.

Just some of Southern Playboy's winnings include: 2 Year Old Mid-America Futurity Stallion Champion, 2 Year Old Mid-America Futurity Grand Champion, Mid-America Two Year Old Stallion Champion, Breeder's Cup Two Year Old Champion, 4 Year Old World Champion Stallion, 4 year Old World Grand Champion, Breeder's Cup Grand Champion, 2006 Ladies World Champion Stallion, 2006 World Champion Senior Stallion Champion, 2006 Ladies World Grand Champion, 2006 Senior World Grand Champion, Hall of Fame Inductee, Winner or placed in top five for the majority of years for the award of Breeding Sire of the Year, and Stallion of the Year since the awards began in 2012.

Southern Playboy will stand to a limited number of mares in 2022. He will be joined with our junior sires Playboy's Midnight Judge and Playboy Heritage.

Jerry Glaze

Clyde Connolly —
I'm looking at your
ad in the journal as
I write this, and I am
really impressed. I wouldn't
doubt if you don't own
the 2nd best breeding horse
in the business. Given & I
were so impressed with your
show season last year. Keep
up the good work and don't
let your critics get you
down.

Jerry

P.S. I would just as soon
you keep this note to yourself since
he is not directly out of Jerry. But he
is his grandpa's boy.
