MFTHBA POINT SHOW

— CLASS LIST

The following classes are MFTHBA Point Classes. Shows using a class description that does not fit the exact wording of point classes may utilize the overarching heading for their class code. For example, if the show offers an Open Junior Horse (4 years and under) class, this class will utilize the Open 210000 code. Shows should note that results imported into the horse's permanent record will have the class name for the code used. The MFTHBA reserves the right to determine if the class qualifies. **A class code may only be used once per show.**

MFTHBA POINT SHOW

— REQUIREMENTS

A “point show” must use an MFTHBA carded judge, use MFTHBA class descriptions, and follow the MFTHBA Rule Book for all designated point classes. This includes requirements for owners and exhibitors to be MFTHBA members and obtain the required Open or Amateur cards. These requirements must be met prior to the show for points to be accrued. Point shows that also offer nonpoint classes can submit those results for inclusion in a similar manner as a recognized show.

REQUIREMENTS

- May be hosted by any organization or individual.
- Must offer at least 8 classes point classes. These classes are based on the MFTHBA standard class list (see below).
- The show must utilize an MFTHBA carded judge. If it is a multi-judge show, all judges must be carded by the MFTHBA..
- Must apply and submit fee at least 90 days before the event (Note: For shows scheduled between April-July 2022, this requirement will be waived)
- Must provide results for all registered Missouri Fox Trotting Horses competing and complete results for all point classes within 21 days of the show. Upon approval, show managers will receive a Recognized Show packet. The packet will include a template for submitting results.

BENEFITS OF BEING A POINT SHOW

- The show will be listed on the MFTHBA website. A complete list will be added to the Showing page and the show will be added to the online calendar. The complete list of shows will be shared on social media, email newsletter, and via text. If the show creates a Facebook event, the MFTHBA should be listed as a co-host
- If the show provides a show announcement or a post-show report, it will be shared on the MFTHBA website and through other available means.
- Results will be added to the horse’s official MFTHBA record
- Point class results will be included in MFTHBA yearend awards including Trainer of the Year, Stallion of the Year and National High Points.
- For horses participating in the MFTHBA Medal Program, they will not need to submit additional paperwork to receive points

Upon receipt of an application in the MFTHBA office, the application will be forwarded to the appropriate Regional Director. The Regional Director has 10 business days to approve, hold, or deny the show recognition. If there is no response from the Regional Director, the show is automatically approved.

Once approved, the show manager listed on the original application will be emailed a Recognized Show packet.

- Only designated point show classes count toward points.
- Four shows need to offer classes within a category for awards to be available.
- In 2022, Top Five in bolded categories will be awarded if they meet the minimum show requirement.
- In most cases, points go to the horse. Exceptions are Limited Rider, Novice Rider and Bareback Equitation.
- When at least three shows are offered in a region, the following year the MFTHBA will consider adding a Top 5 High Point Region Award. MFTHBA sponsored shows do not count toward a regions total.
- When at least 10 shows offer a specific class including MFTHBA sponsored shows, the following year, the MFTHBA will consider splitting the class for individual awards. For example, if 10 shows offer Ladies 5 year & under, the MFTHBA will a Ladies 5 year and under award separate from the Ladies overall.
